Total = 40+20=60 hrs		

Training Outcomes: 1. Knowledge of processing tea leaves, other ingredients, tools & equipment required for making tea soaps.

2. Knowledge of step by step manufacturing process of tea soaps.

Job Roles : After successful completion of the training course a trainee can get a job in a herbal soap making industry or may become a successful Entrepreneur.

LIST OF TOOLS & EQUIPMENTS

Sl. No.	NAME OF THE ITEMS	QUANTITY
1	Burner	1 No
2	Utensils	As required
3	Electric kettle	1 No
4	Extension wire	As required
5	Freezer	1 No
6	Table	2 nos
7	Designed moulds	As required
8	Paper cutting machine	1 no
9	Scissor	1 no
10	Knife	1 no
11	Hand gloves	As required
12	Masks	As required
13	Apron	As required

LIST OF TRAINING MATERIALS

Sl. No.	NAME OF THE MATERIALS	QUANTITY
1	Processed tea leaves	As required
2	Soap base	As required
3	Caustic soda	As required

4	Coconut oil	As required
5	Glycerin	As required
6	Alloevera	As required
7	Different herbal products & extracts like honey, red wine, goat milk, turmeric, sandalwood, orange, Kesar, neem, tulsi, lavender, chocolate etc.	As required
8	Paper for packing	As required
9	Glue	As required
10	Thread	As required
