Syllabus For GOAT HUSBANDRY

Course Name	GOAT HUSBANDRY
Sector	AGRICULTURE
Course Code	AGR/2021/GOHU/110
Level	4 (RPL)
Occupation	GOAT HUSBANDRY
Course Duration	Total Duration 35 Hrs (OJT)
Trainees' Entry Qualification	Class VIII Pass with 5 years experience in the relevant field
Trainers Qualification	For Domain training
	Diploma in Veterinary Sciences / Animal Husbandry) with 05 years of
	relevant work experience OR/ B. V. Sc. & A.H. with 1 year field
	experience OR/ B. Sc. Animal Science with 2 years of relevant work
	experience
	For training on entrepreneurship skill / project proposal
	Experienced Bankers / CA / Accountant / Other officials etc

Structure of Course:

Module No.	Module name	Total (Hrs)
1	Basic Concept about Goat Husbandry Practices	2
2	Scientific Housing & Management in Goat Husbandry	2.5
3	Nutrition & Feeding Management in Goattery	2.5
4	Breeding and reproduction in Goat Husbandry	3
5	Health and disease management in Goat Husbandry	5
6	Concept of cash flow, Project report/Proposal and different schemes to avail loan & their application procedure in Goat Husbandry	8
7	Farm visit, Group work/case study in group for domestic poultry farming, Doubt clearing session with setting of goal in Goat Husbandry	11
8	Self-Employment skilling under Utkarsha Bangla	1

TOTAL 35

SYLLABUS:

S.N.	Topics	Total Duration (Hrs)
Basic	Concept about Goat Husbandry Practices:	1
1	Brief history about Goatery industry in India & in W.B.	2
	☑ Different indigenous & Exotic breeds of Goat	
	② Different body parts of Goat animals (Pr)	
	Selection of Goat, Maintenance of registers (Pr)	
	Concept of commercial and low cost Goat Husbandry	
Scier	ntific Housing & Management in Goat Husbandry	
2.	Scientific shed for profitable goat husbandry (Pr)	2.5
	Sub-optimal growth of animals, Restraining of goat	
	Practice of weighing before sale of animals,	
	Need and process of organization of goat farmers (Pr).	
	Market survey and identification of local demand & availability (Pr)	
	② Advantages of FPO (Pr), ② Maintenance of production register (Pr)	
	Identification through tagging (Pr)	
Nutr	ition & Feeding Management in Goattery	
3.	Concept of protein, fat, carbohydrate, mineral, vitamin and water	2.5
	Concept of roughage and concentrate	
	Green fodder management: Fodder plot development/Azolla production/ hydroponic	
	production/ tree-leaves/ etc. (Pr)	
	☐ Enrichment of straw (Pr) ☐ Production of concentrate mixture at home / formulation (Pr)	
	Production of concentrate mixture at home/ formulation (Pr)Concept of balanced ration (Pr)	
	© Concept of Balanced Patient (17)	
	Utilization of feed.	
Bree	ding and reproduction in Goat Husbandry	
4	Concept of breed and different goat breeds with special reference to	3
	Black Bengal breed. (Pr)	
	② Concept of estrus cycle, silent heat, irregular heat, absence of heat, etc.	
	© Concept of infertility and management,	
	Retention of placenta & management	
	Concept of good quality buck and doe selection& buck exchange (Pr)	
	Maintenance of breeding register (Pr)	
Heal	th and disease management in Goat Husbandry	
5	Important preventive and systemic diseases and their management,	5
	② deworming and vaccination schedule (Pr),	
	2 Udder health in context of mastitis (Pr)	

	Topics	Total Duration (Hrs)
	Management of bloat (Pr)	
	Maintenance of health register (temp., rumination, ecto-parasite, urination, defecation, etc.) (Pr)	
	Mortality due to PPR and pneumonia,	
Conc	ept of cash flow, Project report/Proposal and different schemes to avail loan & their app	lication
	edure in Goat Husbandry	
6	Investment (capital and working capital)	8
•	☑ Income, ☑ Repayment of bank loan with interest	
	② Concept of gross profit and net-profit,	
	② Insurance, ② Concept of depreciation	
	Maintenance of stock register	
	Maintenance of cash-book	
	Concept of term loan and cash credit loan	
	2 KCC-AH, 2 SHG / FPO bank linkage	
	Mudra-Yojna and similar schemes of the Govt.	
	General procedure to avail term loans	
Farm	visit, Group work/case study in group for domestic poultry farming, Doubt clearing sess	ion with
	resist, eroup trong case stady in group for domestic pountry farming, source troubles	
	ng of goal in Goat Husbandry	
settii	ng of goal in Goat Husbandry Rreeds of goat	11
	Breeds of goat	11
settii	Breeds of goat ② ② Application of medicine (different routes)	11
settii	Breeds of goat ② ② Application of medicine (different routes) ② Observation of animals (temp., rumination, ecto-parasite, urination,	11
settii	Breeds of goat ② Application of medicine (different routes) ② Observation of animals (temp., rumination, ecto-parasite, urination, Defecation, onset of heat etc.)	11
settii	Breeds of goat ② Application of medicine (different routes) ③ Observation of animals (temp., rumination, ecto-parasite, urination, Defecation, onset of heat etc.) ② Demonstration of good quality breeding buck and doe,	11
settii	Breeds of goat ② Application of medicine (different routes) ② Observation of animals (temp., rumination, ecto-parasite, urination, Defecation, onset of heat etc.) ② Demonstration of good quality breeding buck and doe, ② Demonstration of fodder plot, azolla pit, hydroponic units, enrichment of straw,	11
settii	Breeds of goat ② Application of medicine (different routes) ② Observation of animals (temp., rumination, ecto-parasite, urination, Defecation, onset of heat etc.) ② Demonstration of good quality breeding buck and doe, ② Demonstration of fodder plot, azolla pit, hydroponic units, enrichment of straw, preparation of concentrate in home, hay, silage, etc	11
settii	Breeds of goat ② Application of medicine (different routes) ② Observation of animals (temp., rumination, ecto-parasite, urination, Defecation, onset of heat etc.) ② Demonstration of good quality breeding buck and doe, ② Demonstration of fodder plot, azolla pit, hydroponic units, enrichment of straw, preparation of concentrate in home, hay, silage, etc ② Demonstration of weighing of animals by spring balance.	11

8.	Self-Employment skilling under Utkarsha Bangla	1
	Total:	35

LIST OF TOOLS & EQUIPMENTS: MODEL COURSE ON GOAT HUSBANDRY

LIST OF GENERAL TOOLS & EQUIPMENTS: (For Batch of 30 Candidates))
S No.	Name of the Tool & Equipment	Specification	Quantity
1.	Laptop & LCD Projector,	Standard & available size	01 each
2.	White board, Marker,	5′X4′	01-02 each
3.	Record book, Balanced Feed Chart,	Standard & available size	02-03 each
4.	Public address system	-Do-	01 No

N.B.: To conduct Practical for trainees on related trade/discipline, a demonstration farm with minimum 05-06 Nos. Bengal Goats are prerequisite for hands-on skill development in training.

S No.	Name of the Farm Equipment's	Specification	Quantity
1.	Goat shed@ 12-15 Sqft / animal	Space:06X 06Nos.	50-75 Sqft.
2.	Goat feeder & Waterer	Standard & available size	01No /animal
3.	Bradizzo Castrator, Drencher	-Do-	01-02 Nos.
4.	Stethoscope & Thermometer	-Do-	01-02 Nos.
5.	Chemicals, disinfectants, lime etc.	-Do-	02-03 each
6.	Vaccinator, Vaccines & First aid kit.	-Do-	02-03 each
7.	Measuring tape, Wt. Balance, Fan, etc.	-Do-	01-02 each

Alternately,

To conduct Practical for trainees on related trade/discipline, attachment of the training Centre with Animal Health Centre OR Farm are prerequisite for hands-on skill development in training with availability of following farm equipment:

Cryo-can – 1 no.

Al gun, sheath – 1 each

Liq. Nitrogen – Min 3-7 ltrs

Injection needle & syringe of different dimensions – 1 set each,

Casting rope - 1,
Travis - 1,
Vaccine preservation method – 1 unit,
