NOTIFICATION

Sub: Revised rate of Printing Expenditure for the assessment of Short Term Courses

It has been observed that in many cases, assessors uploaded the wrong printing expenditure bill without following the Council Guideline and the same has been repeatedly rejected by the Council authority during checking. This is delaying the payment which leads to demoralize the assessors.

In this regard, Council has decided to pay an amount of **Rs. 10/- (Ten)** per student as Printing expenditure.

This will be in effect from 1st January 2025 for the assessment of any Short Term Courses conducted by the assessors on or after 1st January 2025. Assessors are **not required** to upload any Printing Expenditure Bill from his/her end in the portal. Printing Remuneration will be automatically calculated by the system itself.

However, remuneration of printing expenditure for the batches which were conducted (Date of Assessment) before 1st January 2025 will be followed as per previous norms.
